# ABOUT US

Maritime Vista  
(Pvt) Ltd

A Brief Story About The  
Company

Maritime Vista (Pvt) Ltd is a Sri Lanka-based maritime services company dedicated to elevating professional standards in the shipping industry through comprehensive education, recruitment, compliance and welfare support. Guided by international conventions and best practices, we empower seafarers, cadets and maritime professionals to excel in technical, navigational, safety and soft-skill disciplines while fostering mental and physical wellbeing at sea.

# KEY PILLARS OF LEADERSHIP

## 01 Training and Education

We deliver high-quality training through academies, simulation centres, and online platforms. Our programmes cover technical, navigational, engineering, safety, and soft skills, along with wellbeing initiatives to promote resilience and mental health at sea.

## 02 Crew recruitment and manning

We connect shipowners with highly skilled and reliable seafarers. From cadets to senior officers, we ensure every candidate is thoroughly vetted, certified, and ready to perform with professionalism and safety in mind.

## 03 Safety and professional development

We conduct refresher courses, safety drills, and workshops to strengthen compliance and operational excellence. We also invest in research and innovation to improve training methods, simulator technology, and sustainable shipping practices.

## 04 Support and Welfare

Beyond training and recruitment, we provide career counselling, certification renewals, visa and medical facilitation, insurance, and welfare support for seafarers and their families. We actively promote diversity and inclusion, encouraging greater participation of women and underrepresented groups in maritime careers.

## 05 Local Partnerships

Through collaborations with international academies, shipping companies, regulators, and industry stakeholders, we ensure our services align with global standards and provide our seafarers with worldwide opportunities.

# OUR MISSION

To empower seafarers with the knowledge, skills, and opportunities to excel in their careers while delivering trusted, high-quality crew recruitment solutions to the maritime industry.

# OUR VISION

To be a leading global partner in seafarer training and recruitment, shaping a competent, diverse, and future-ready maritime workforce.

## Corporate Governance and Authority

Maritime Vista (Pvt) Ltd operates under an empowered Board of Directors, authorised to enter into contracts, joint ventures, mergers and licensing arrangements deemed beneficial to the Company's objectives. We maintain rigorous internal controls, uphold international labour standards and adhere to all applicable local and global regulations. Through ethical leadership and strategic investment, we continually enhance our service portfolio and deliver sustainable value to clients, partners and the maritime community at large.
